Certified R&D Center

- R&D Laboratories for Polymer Synthesis
- R&D Laboratories for Special Finishings
- Application Laboratories
- Quality Control Laboratories

Tailor Made Solutions

Although we have a wide range of product portfolio, we also work on special projects and chemicals in our strong R&D laboratory upon requests of our customers.

We work on new projects/chemicals,

- to reach special required technical properties.
- to adapt our products for our customers' production processes.
- to present new fashion products.
- to make new innovative/eco-friendly products.

Our Strengths

- More than 40 years experience in coating industry
- Full automation production process
- Well-Equipped R&D Laboratories
- Dedicated Technical Team and Sales Team
- Tailor made solutions upon requests
- Fast in action
(Technical solutions, delivery etc)
- Focusing on the Future and Sustainability
